

Parsons High School and Labette Community College partner together to help students succeed.

**Parsons High School and Labette Community College** offers students the unique opportunity to take dual credit courses at Labette Community College while in high school earning credit for both high school and college. Motivated, hard working students may be able to earn their two-year Labette Community College degree while attending Parsons High School.

### **Dual and Concurrent Credit**

Dual credit classes are courses offered through LCC and taught at the LCC campus. Concurrent credit courses are taught at PHS and are awarded college credit through LCC. **College fees and books** for dual credit and concurrent credit classes are the responsibility of the student. The current college fees per credit hour are \$46.

### **College Credits**

3 hours of college credit is equivalent to .5 credit at the high school

5 hours of college credit is equivalent to 1 credit at the high school
